To be held at "The Hickories"

**PARDEEVILLE, WISCONSIN**

# Sale

A few of the cows at The Hickories.

On the front cover of this catalog Otto G. Johnson is shown with Queen of Beauty 4th, the daughter of Edellyn Royal Leader 17th that he exhibited to championship of the National Sale at Memphis last fall. This beautiful heifer was purchased by Hi-Ho Farms, Phoenix, Maryland. A second daughter of Edellyn Royal Leader 17th that sold in the same sale to Ashbourne Farms, Prospect, Kentucky was recently the grand champion female of the Kentucky Shorthorn Breeders' Show and Sale.

We cite these winnings as proof that cattle bred by the consignors to this sale measure up, under the stiffest competition. Not only have the sires used by these breeders in the past been good enough to turn out the winning kind, but the five younger herd bulls that have recently gone into service in these herds are among the best of the breed. Twenty-eight of the thirty-four females in this sale have been bred to them.

**RAILROADS-** Those coming by train will find it most convenient to come to Portage, Wisconsin, which is on the main line of the Milwaukee Railroad running from Chicago to St. Paul. We will be glad to meet your train in Portage if you will notify us in advance. There are good hotels in Portage for those who arrive the evening before the sale.

**TERMS-** The terms of this sale are cash.

**AUCTIONEERS-** J. E. Halsey and H.P. Miller.

**MAIL BIDS-** Those unable to be present and who desire to take advantage of the buying opportunities in this sale, may do so by sending buying orders to Hal Longley or Don Longley of The Shorthorn World; Clinton K. Tomson, Secretary of the American Shorthorn Breeders' Association; or to either of the auctioneers. Mail or wires may be addressed to these men in care of The Hickories, Pardeeville, Wisconsin.

**GUARANTEE-** All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but cattle will be at buyers' risk as soon as bid off. Every precaution will be taken to see that animals arrive in sound and healthy condition.

**LIABILITY-** The above terms and guarantee constitute a contract between the seller and the buyer of each lot. Neither the sale manager nor the clerk of the sale assume any liability whatever. Although every precaution will be exercised to provide for the comfort and safety of our guests, we will not be responsible for accidents that may occur.

*At the Hickories-Johnson Sale*

The most convincing argument that I can advance in favor of this sale as a place to buy is to review briefly the former sales held at this same location. In the four previous sales, nearly 200 head have sold at an average of approximately \$400., and I do not know of another place in the country where buyers have received more for each dollar invested. The quality has been good, the bloodlines very strong, and the cattle have been highly profitable to the purchasers. It is generally recognized that the herds supplying cattle to this sale are owned by top cattlemen and that the stock bulls heading these herds are among the best in the land.

The cattle in the 1951 sale are the best group ever sold in this annual event. Prospective buyers may travel long distances without fear of disappointment. . . . Hal Longley of The Shorthorn World.

**HICKORIES RANDOLPH** - There have been many arguments over which is the best bull ever calved at The Hickories...Hickories Randolph or Hickories Ransom 32nd. Hickories Randolph was the Wisconsin state champion twice, as a senior calf in 1948 and again as a senior yearling in 1949. His dam was the state champion in 1942 and has been responsible for a female family that is second to none. Her sire was the reserve champion at the Golden Gate Exposition. We will have a great array of calves on exhibit sale day by him. The sire of Hickories Randolph was a son of the noted Calrossie Vice Consul by Calrossie Randolph. An injury ended his breeding career after he had sired only a few calves.

**MILLHILLS FADDIST** Is the bull we purchased from Duncan Stewart of Millhills. He was selected not only because of his individuality but because his four grandsires have been of the greatest breeding bulls in Scotland during the last fifteen years... Collynie State Express, Calrossie Randolph, Aldie Conqueror and Collynie Mandarin. Half brothers and sisters of Millhills Faddist have made a great record for Millhills. One of the most prominent of these is Millhills Champion, now in service at Calrossie. The first calves by Millhills Faddist are here and are full of quality.

HICKORIES RANSOM 32D - First prize junior calf at the Wisconsin State Fair, 1948. Second in class at Wisconsin in 1949 and third at the National Show in Kansas City that same year. In 1950 he was the grand champion bull of the Wisconsin State Fair. His sire was the Wisconsin State champion in 1948 and sired bulls and heifers that are in the best herds in North America. His grandam is from the same Augusta family as the dam of Hickories Randolph. She was the Wisconsin State champion in 1944. The great grandam was the reserve champion at the Canadian National. The first calves by Hickories Ransom 32d at the farm are very promising.

## Nowhere Do Your Dollars

### SUTHERLAND ALL STEAK

The grand champion summer yearling steer over all breeds at the 1950 International. He was also the grand champion Shorthorn steer over all breeds at this same great show. He is a son of Hickories Ransom 9th.

The six bulls and thirty-four females in this sale merit the serious consideration of every breeder who wishes to improve his herd --- because they are from herds that have proved their ability to withstand the stiffest show ring competition --- because nearly all the females are mated to young herd bulls that will soon rank among the top sires of the breed --- because at this sale, year after year, buyers obtain the most quality for their dollar invested.

June is a beautiful month in which to visit Wisconsin. If you drive to this sale, plan to allow enough time so that you can inspect each of the cow herds. You will find the kind that satisfy the most critical cattle judges.

## The Next 20 Lots In This Sale

The next twenty lots in this sale come from the Otto G. Johnson herd, Rio, Wisconsin. All but one is sired by the great breeding bull EDELLYN ROYAL LEADER 17TH. Every female has been bred to the sensational junior herd bull, RINGWELL FIELD MARSHALL. Every female has been calfhood vaccinated. Isn't this just the buying opportunity you have been seeking? If some far-sighted breeder would purchase a group of these heifers, all by the same sire and all bred to the same bull, he would be the owner of one of the most uniform herds in the land in a very few years.
